Join us for our popular **Hands-On History camp**, a unique way for children to kick off their summer vacation in beautiful, historic Nazareth. Campers **aged 8-12** will be immersed in history as they enjoy **STEAM based activities based on objects from our museum's collection**. This year, campers will have the rare opportunity to work hands-on with local scholars and professionals who will lead exciting activities and learning experiences.

**Campers will:**

- explore **museum objects**
- create an **exhibition** with museum professionals
- work with **fibers, metal, and gears**
- **act out** their own play
- and many more events and activities!
